

Nassau Inter-County Express (NICE)
Application for Able-Ride Complementary Paratransit Service

Dear Applicant:

The Americans with Disabilities Act of 1990 (ADA) is a civil rights bill that prohibits discrimination against people with disabilities. The intent of ADA is to ensure that persons with disabilities who cannot use the regular fixed route bus have equal access to public transportation. The specialized transportation offered by Able-Ride is a curb-to-shared ride service for eligible individuals who are prevented from accessing, boarding or riding the regular fixed route bus service.

NICE is required by the ADA to determine eligibility for Able-Ride service.

Categories of eligibility for Nassau County's Able-Ride service are as follows:

- **Persons who are unable to board, ride, or disembark from a fixed route bus, regardless of their ability to get to a bus stop.**
- **Persons with specific impairments who cannot travel to a bus stop to board the fixed route bus, or travel to their final destination after disembarking from the fixed route bus.**

If you believe your disability may fit into one of the categories described above, you must apply for certification by completing the attached "Paratransit Application" form. In addition, a New York licensed professional (i.e., physician, physical/occupational therapist or social worker) who is familiar with your functional ability must verify your application.

Please remember that your age, disabilities or distance from a bus stop, **do not** automatically make you eligible for paratransit service.

In addition to completing this application you must submit one (1) recent photograph (measuring 2" inches in length X 1 . in width and taken within the last year). Please write your name on the back of the photograph. The photograph must have a solid background and show a full frontal view of your face. Your application will not be considered complete unless the photograph is included.

Your application will be considered complete once all questions have been answered, a photograph has been attached and your licensed/certified professional has completed Part B. Return this application to the NICE Able-Ride Certification Department. Able-Ride will provide a decision as to your eligibility within 21 days, once the completed application is received.
