

ADDENDUM NO. 1

IFB No.V-1373 – Vehicle Support Stands

Date: February 20, 2015

To prospective offerors:

The purpose of this addendum is to make revisions to IFB-V-1373-Vehicle Support Stands wherein following revisions (**in red**) are hereby incorporated by reference and made part of the IFB.

All other provisions and requirements as originally set forth, except as amended by previous addendum, remain in full force and are binding.

Any clarification questions related to this addendum shall be submitted in writing to Andrea.Martinez@transdev.com.

It is required that this addendum **must** be acknowledged appropriately and submitted with your quotation. Failure to do so will indicate that you are not offering to the updated information, and your quotation may be deemed non-responsive and therefore disqualified.
