NICE BUS TO JOIN IN NASSAU COUNTY'S MEMORIAL DAY MOMENTS OF SILENCE

Garden City, NY (May 25, 2022) – NICE (Nassau Inter-County Express) Bus will join with participating Nassau County agencies as well as volunteer first responder agencies in observing two Moments of Silence in honor of our nation's fallen heroes on Memorial Day (Monday, May 30).

Under the initiative of Nassau County Executive Bruce Blakeman, there will be two, 50-second Moments of Silence observed across the County on Memorial Day for residents to pause and remember the sacrifices made by members of our Armed Services.

In conjunction with fire departments, ambulance corps and local and Nassau County Police, NICE buses will sound their horns at noon and 6 p.m. to remind residents of the Moments of Silence. Where buses can safely do so, they will also pull over and pause service for these 50-second periods. The Moments of Silence will also be observed at NICE Bus depots and headquarters.

"We are proud to join with Nassau County agencies, our volunteer agencies and the many organizations which support our soldiers and veterans in recognizing the bravery and sacrifice of our fallen heroes," stated Jack Khzouz, CEO.

NICE will be running on its Sunday Service schedule on Memorial Day (Monday, May 30).
